RE: 05RFP45815K-DJ, Standby Engineering and Related Support Services

This letter serves as notification to all proponents of the County's decision to reject all proposals for 05RFP45815K-DJ Standby Engineering and Related Support Services.

After a review of the proposals, Environment and Community Development has advised the Department of Purchasing that the proposals were not within the department's budget for this project. In view of this factor the County has determined that it would be in its best interest to cancel the solicitation and reject all proposals. This decision is made in accordance with item 25 of the Fulton County Purchasing Department's General Requirements within the proposal document, in which Fulton County reserves the right to accept or reject any or all proposals, or any part thereof, and to waive any technicalities.

If you have any questions regarding this please contact Donna Jenkins at 404-730-4213.

Thank you for your interest in doing business with Fulton County.

Sincerely,

Jerome Noble
Director of Purchasing
